

Amerton Farm & Craft Centre

For IMMEDIATE RELEASE

Half Term Madness

Half Term Madness starts on the Monday 15th February 2010 for one week at Amerton Farm & Craft Centre.

The Playbarn will be open from 9.30 am until 4.30 pm with improvements to the soft play area for children under 3 years of age.

Amerton Railway will be running trains on Tuesday, Wednesday and Thursday, weather permitting. Paint a Pot, Mosaic making and the British Wildlife Rescue Centre will also be open for business to entertain the children.

Eunice Finney, General Manager said, 'We have lots for children to do in the February half term and most of the activities are indoors. The popular fairground rides will be back on the court yard. All we need now is the weather to go with it.'

The farm yard, car parking and admission are absolutely free, so why not make it a great day out for everyone down on the farm.
