Amerton Farm on the Road Experiences

Why not invite our reindeer to visit you for a special Christmas treat?

Last year during the Covid 19 pandemic, when you could not visit Amerton Farm, we went to schools, nurseries, care homes etc, with our reindeer. We re-invented our Christmas offering to ensure we could deliver some very special Christmas magic to everyone during such difficult times.

Cost will vary, we usually do half days or full days at a venue and we need to charge traveling expenses. Typically a half day will be **£475** and full day is **£900** the cost will be confirmed on booking, when we have the numbers wishing to visit the reindeer experience and distance we need to travel.

What is the Amerton Farm on the Road Experience?

- Amerton Farm on the Road will arrive with two members of staff an elf and a member of our farm staff.
- Our elf will talk to everyone about the reindeer, introduce the group to the reindeer and tell them their name, explain what they eat, where they come from, where they live now and all the fun facts about reindeer.
- The group can then pet and feed the reindeer with food our staff will bring with them.
- Please ensure everyone washes their hands after petting and feeding the animals.
- We do not provide a Santa nor present with this service, however you can arrange both of these if you wish. Our elf is happy to give the presents out on the day if required.
- We provide you with a certificate you can print and present to all pupils so to confirm they have seen the Amerton Farm reindeer.
- Amerton Farm Ltd also provide a sack for any letters to be forwarded to Santa.
- Reindeer are herd animals so we will always come with at least two reindeer.
- We suggest you visit the reindeer in groups, in no more than 35.
- Dates available are from mid November and throughout December.
